Subject: FW: UPDATE: Windows in Suite [REDACTED] East bldg

Good afternoon,

I was out of the office last week, but, wanted to follow up on the window work proposed for Michal's office. At this point, Cheryl indicated that once we set up the PR and the PC payment, the work can be scheduled. She is waiting to hear back from us. I think you indicated that the payment would be from the OCSP/IO budget. As mentioned in the email below, the vendor will only accept payment by Purchase Card.

Please let me know how you want to proceed.

Cheryl is also checking with the vendor for the drapery to see if they can set up a virtual meeting with Tom. She will let us know.

Thank you.

Subject: UPDATE: Windows in Suite (b) (7)(F) East bldg

Delores,

Just wanted to keep you updated on the work slated for the AA's office. Cheryl and I met today and she indicated that the work being done is not considered construction. With the vendors used by OMS/FMSD this type of work, the Purchase Card (PC) is the form of payment accepted. They will not accept payment via the PR method. Cheryl also indicated that other AA ships having similar work done throughout FTC are paying with the Purchase Card. Once the payment is put in place, she will be able to schedule a date to coordinate with GSA and the vendor to have the scraping and painting (Room (b) (7)(F), the bay areas and Room (b) (7)(F), the DA's office in WJC East) work completed.

In regards to the drapery estimate, not sure who maintains Tom Tyler's schedule. Should Cheryl reach out to him directly or work through Ruth Malloy? Did Tom want to be on site to make a selection (fabric/style) when the vendor (ALG Drapery Cleaning and Installation, LLC) comes to look at the space? Or did he plan on doing something virtually?

I will be out of the office starting tomorrow, Friday October 8th, returning on Monday October 18th but, will continue to follow up upon my return.

Thanks

Delores,

I just reached out to Cheryl and told her that we wanted to proceed with the work (scrape/paint the window sills and purchase new drapery) for Michal's office. The proposal from Omega Painting and Contracting is attached. Cheryl also confirmed that there was no longer any water leakage in her office.

Cheryl will contact the vendor for the drapery and coordinate with Tom on when they will be in to access the area and develop a proposal. Tom will also have access to the samples that ALG Drapery Cleaning and Installation, LLC provides for their drapery.

I will defer to the CCoE on the method of payment to be used for this work.

Hope this helps.

Okay Delores,

I will coordinate with the CCoE on the funding vehicle and with Cheryl on meeting with the vendor.
Do you know who will be making the final selection on the fabric and styles of drapery?

Hi Recie,

Can you take the lead on this please. The funds are to come from the OCSP IO. And we need a PR for this through the CCoE. I don't think we can use a credit card for a paint job which could be consider construction. Copying the CCoE for confirmation on that.

Thank you,

Good Afternoon Delores,

I hope this email finds you safe. I wanted to know if your office was going forward with repairs to the window sills in OCSP AA's office, Room (b) (7)(F), the bay areas and Room (b) (7)(F) the DA's office. Also, I have reached out to ALG Drapery Cleaning and Installation, LLC. This is the vendor we use to make curtains/sheers and cornice boards. The AA's suite is in needs of new drapery. This company will provide brochures to look at different types of fabrics to make the drapes. Please let me know if you want me to go forward with scheduling a visit from the vendor. Thanks and call me if you have any questions.

Good Afternoon Delores and Recie,

See the attached quote from Omega Painting and Contracting. This will be the cost to make repairs to the window sills in OCSPP AA's office, (b) (7)(F), the bay area, Room (b) (7)(F) and the DA's office in Room (b) (7)(F). If you are interested in having the peeling paint around the window sills repaired, the bankcard holder in your office can reach out to Omega directly. Thanks and call me if you have any questions.
